NEW HAPPENINGS....NEW WINES!

In This Shipment.....

Our fall 2021 club release contains something for everyone. Youthful whites and floral ports are complimented by glass-staining reds and our flagship 10-year-old Tawny Port. And don't Forget our Christmas Port Noel!

We are excited to introduce our 2nd bottling of the unique white varietal Verdelho. It is a perfect wine for those warm summer and fall afternoons. If you enjoy big reds, then we have included some of our top wines. Our new release of the 2018 BDX is something special, being a blend of Cabernet Sauvignon and Touriga Nacional. The 2016 Spanish Springs Syrah is inky, brooding and definitely one for the cellar. If you prefer wines with a bit of age, we've included our 2015 Cabernet Sauvignon and our 2014 BDX as our cellar selections.

For those who are tawny fans, we have allocated another bottling of our 10-year-old Tawny. This is always a special bottling for PasoPort. Lastly, don't forget to pick up a bottle or two of Noel as part of your holiday gift list. Saúde!
